

County Services

The county seat for Scotts Bluff is located in Gering. Our county services are second to none. We offer the same if not better quality of service you would expect in a larger town.

The **Scotts Bluff County Administration** office (built in 1978) offers the following services at 1825 10th Street:

Assessors Office	Health Department
Board of Commissioners	Personnel Department
County Clerk	Register of Deeds
Election Office	Sheriff's Office
Emergency Management	Surveyor/GIS
Extension Office	Treasurers Office
General Assistance	Veterans Services
Handi-Bus Services	WING / MIP Taskforces

The classical Revival Style, **Scotts Bluff County Courthouse** occupies a shady square adjacent to the Administration building at 1725 10th Street. Built in the 1920's, this building is home to the county court system. You will also find other valuable services for the justice system on various floors of this building.

Child Support Enforcement	Communications / 911
County Attorney	Public Defender

The **Scotts Bluff County Highway Department** constructs and maintains all county roads, bridges and signs. They remove snow and ice control during winter months. They also apply for and administrate Federal funds for highway capital improvements.

The **Scotts Bluff County Flood Control Department** maintains the Gering Valley Drain jointly with Gering-Fort Laramie Irrigation, Gering Irrigation, Central Irrigation and the North Platte Natural Resources District. It also maintains the Scottsbluff Drain jointly with the City of Scottsbluff. In addition, the Flood Control Department maintains small flood projects throughout the County.

The **Scotts Bluff Weed Control Authority** is responsible for controlling noxious weeds in Scotts Bluff County.
